Dear Little Venice Wastewater Customer:

As of October 1, 2008, the City of Marathon will assume ownership and operating responsibility for the Little Venice wastewater district.

The FCAA will continue to provide billing and collection services for the City, so you will still see wastewater charges on your monthly FCAA water statement. Our FCAA Customer Service team will continue to handle questions about your monthly statement.

If you have an issue with your wastewater system, or if you have special circumstances or questions related to your wastewater service, please contact Pam Brotheridge of the City of Marathon at (305)743.0033. The afterhours emergency contact number is (305)359.0838.

We value you as our customer. Please contact our Marathon Customer Service office at 305.289.6161 for more information.

Sincerely,

James C. Reynolds, PE
Executive Director
