**Key West Lane Closure
Eastbound North Roosevelt Boulevard
Between 14th Street and Toppino Drive**

**Wednesday July 6, 2011
8:00 pm to 6:30 am**

The Florida Keys Aqueduct Authority will be performing emergency repairs to an 18" diameter water main on Wednesday night, July 6, 2011. This repair will entail closing the eastbound lanes on North Roosevelt Boulevard from 14th Street to Toppino Drive, as well as the entrances from the Boulevard going into the Searstown Plaza. The lanes will be closed from 8:00pm Wednesday night through 6:00am Thursday morning.

Eastbound traffic on North Roosevelt Boulevard will be detoured down 14th Street to Northside Drive, turning east to Toppino Drive then back to North Roosevelt.

There will be no disruption to water service for any customers during the repairs. We apologize for any inconvenience and we appreciate your cooperation as you travel through the repair zone.
