

J. Robert Dean WTP Electrical Improvements

The Florida Keys Aqueduct is beginning construction for the J. Robert Dean WTP Electrical Improvements in Florida City, located in unincorporated Monroe County, Florida. The Work consists of replacing the emergency generator switchgear, six existing Automatic transfer switches with manual transfer switches, adding two new 4160 feeds, duckbanks and transformers, converting an existing interior storage room into a conditioned electrical room with new MCC, switchgear and PLC control panels and extending conduit and fiber from new electrical room to existing server room; all of which shall be constructed in accordance with the Drawings. Construction is expected to be completed by April 2026.
